

What is a BUF Share?

A full BUF Share is any combination of 10 veggie units totaling \$200.

A half BUF Share is any combination of 5 veggie units totaling \$100.

Each veggie unit is \$20. You can mix and match as you like, but no more than two of any particular crop unit may be purchased for one BUF Share.

Who can buy a BUF Share?

Anyone can purchase a BUF Share, but residents of the Old Town Urban Agriculture District receive free delivery and a 10% discount on a full BUF Share.

When do I pay for my BUF Share?

The BUF Shares is a pay-in-advance program. After choosing which units you would like to receive next year, pay with cash, credit card or check to the Sustainable Berea.

When will I get my produce?

This program will run throughout our 2017 growing season and the harvest times will range from spring to fall depending on the crop. General harvest dates will be provided in the spring.

Why support the BUF Share Program?

We want to revitalize the local food economy. Your purchase supports our growing season as well as other mission-led initiatives: educational workshops, job-training through internships, conservation efforts, and more.
